DEDICATION

In remembrance of those who have gone from our midst and have so generously sacrificed their personal well being and comfort that the privileges of freedom and education that we enjoy here may continue, we respectfully dedicate this book.

FOREWORD

If there were witchcraft
I'd make two wishes:
Successful life now that I'm far from home.
And then I'd wish for

My school day playmates
To welcome me when I returned again.

But in this real world
There is no magic
And golden wishes do not grow on trees.

Our only magic
Is in the memory
That brings our golden friendships back to me.

Memories that linger,
Golden and true.
Memories I cherish,
Old schoolmates, of you.

ADMINISTRATION

THE OFFICE STAFF

Seated: Charles Overmeyer, Supt. Standing: Gail Girardot, Barbara Whetsel, Lois Farrington, Pat Manrow.

The girls who help in the office each year earn the gratitude of the school authorities for their splendid work. No task seems too hard or to take too much time. Each assigned job has been approached with apparent enthusiasm. Consequently, the work has been of a superior quality.

Our hope is that their office experience has been as beneficial to them as their accomplishments have been helpful to the school.

LOOKING FORWARD

They do me wrong who say I come no more,
When once I knock and fail to find you in;
For every day I stand outside your door
And bid you wait, and rise to fight and win.
Judge Walter Malone—"Opportunity."

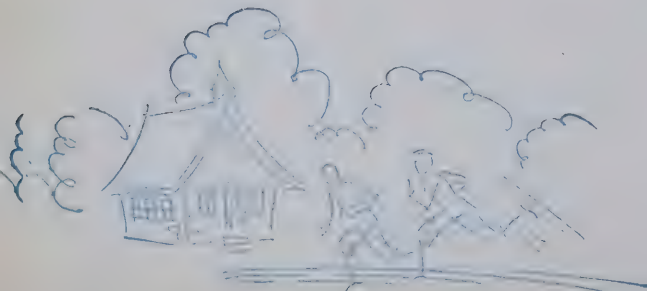

Members of the class of 1943 of the Waterloo School will be joined by several hundred thousand other boys and girls who will be graduated this Spring. All of those completing this year have demonstrated a certain amount of perseverance and determination to succeed that others have not shown. Many thousands started twelve years ago to obtain an education. Many dropped by the wayside for one reason or another.

While congratulations are in order at this point for those who had the determination to complete a task, most of these young people will soon become aware of the need to continue the learning process. Heretofore, parents, teachers, and friends have been near to encourage and in many cases push them along. In fact, in some cases, a large share of whatever scholastic success is achieved may be traced to the understanding of some interested parent or teacher. The graduate, to succeed, must acquire, for the most part, instruction in an informal way from the school of experience, but this school is an exacting teacher. Fortunately, the fundamentals they have acquired in the public school will fortify them for the problems of the business world, the military service, or further formal education.

The regrettable part of commencement time is that this period brings to mind for the first time the startling realization that much time and energy has been wasted. We have had opportunities to discuss school problems with those who have graduated. The consensus was that they wished they had made better use of their time. The importance of this reflection leads one to assume that a lesson has been learned and the intelligent individual will recognize and respond correctly to additional opportunities.

To those who will be graduated our advice is not to overlook opportunities. Select a worthwhile goal. Then, remain steadfast in a determination to reach it, taking advantage of each opportunity as it presents itself. To those who will continue in school, make every minute count in your behalf.

Supt. Charles A. Overmeyer.

CLASS MOTTO

"Don't Dodge Difficulties"

VALEDICTORIAN

Fellow classmates, faculty, and friends, it is indeed a pleasure to welcome you on this occasion.

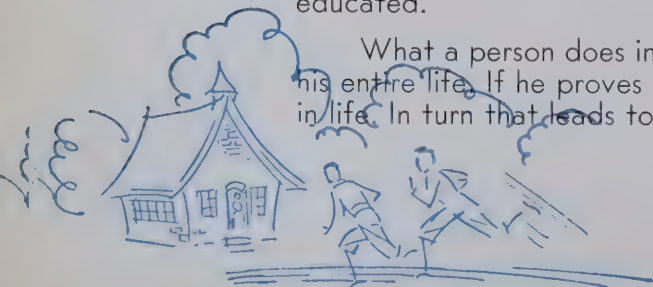

As the last day of our high school life approaches, it brings some rather sobering thoughts. A sense of responsibility of our debt to society comes after completing a part of our education and the breaking up of our class organization with its daily contacts with one another and members of the faculty.

As we look back over our twelve years of school we should be aware of the benefits derived from our education. There is no doubt about it that an education prepares boys and girls for a better future, although we may find some exceptions to this statement. Thus far we are not really educated in the fullest sense of the word, but have only acquired the fundamentals. There are many interpretations of the word education. Most agree that if a man can pick out the best kind of literature and be able to read and understand it, along with being adept in using words with force, he is educated.

Emmajeane Girardot

What a person does in school, he usually continues doing throughout his entire life. If he proves to be a success in school, he will be a success in life. In turn that leads to a passage in the Bible where it reads "As ye

sow; so shall ye reap." Along with that thought we can also add "By their fruits so shall ye know them." To be sure of success, you must organize your effort so that you can quickly forge a chain of right habits. The individual leaves his mark of responsibility behind him and in this way society also reaps.

If each wants to do his share in the world's work, he should be willing to sacrifice and be prepared to use the knowledge which he has acquired. In this way if he wishes to preserve the principles for which his forefathers fought, he can serve either as a good soldier on the battle front, or on the home front. Since we can make our contributions only once as we pass through the cycle of life, every one of us should be willing to keep the preservation of those principles as one of our contributions towards civilization.

Once again, on behalf of the class of 1943, I extend you our heartiest welcome and sincerest thanks for all you have done to make our graduation possible.

SALUTATORIAN

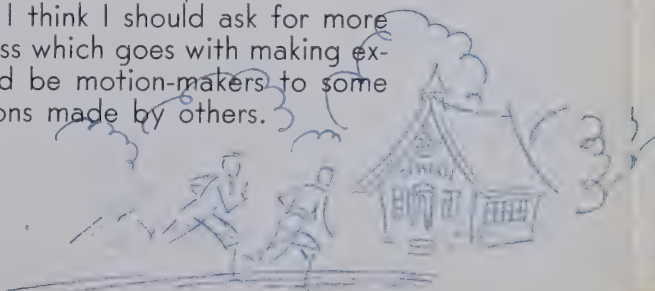

Parents, teachers, friends, and fellow students—

It is said that most of us second the motions that a few others make. This is one way of saying that there are but a few persons who think and put their thoughts into action; the rest of us just follow along or do whatever the thinkers say for us to do. When we do something without thinking enough about how it should be done to enable us to do it right, we are confessing that we let others make the motions of life and that we assign to ourselves the task of seconding those motions. This is an inglorious way to live, and it fails to do justice to what most of us can do if we will but realize our full power. Many problems seem simple, yet many achieve only limited skill even if they are simple. Of course, all learning is complex and some problems are not quite so simple as it may seem on the surface. There is magic in the words "I can" when applied to any learning condition; and most of us can improve our skill through right thinking, right practice, and right faith in ourselves.

For many students like us, this month of May means the end of school life. All over the country this marks the close of the preparation period. Soon the consumer must become the producer. Like Solomon of old, each has a chance to ask what he will in the new life—riches, power, wisdom. If I had my beginning prayer to say over, I think I should ask for more creative imagination and less of the weakness which goes with making excuses. In the future let's raise our goal and be motion-makers to some purpose—not mere seconders of the motions made by others.

JUNIOR CLASS HISTORY

In the year of nineteen hundred thirty-two, came the sound of thirty-seven pairs of little feet. As everyone found out later, it was the sound of the new first grade.

Guided in the door and out again by Miss Helen Callahan, we entered the second grade, taught by Miss Gertrude Newcomer.

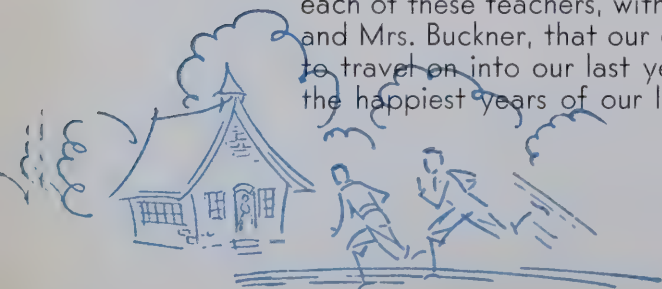

The most of us being passed on, we came safely through the third grade, with the help of Miss Hamman. On into the fourth grade with Miss Dirrim and later the fifth grade with Miss Mary Bonfiglio, we finally reach the sixth grade, where we met Mr. Gurtner.

Mr. Gurtner, either through the kindness of his heart or the fact that we deserved it, passed us on into the seventh grade to Mr. Bowers. Later came the eighth grade with Mr. Dorton. Mr. Dorton and Mr. Bowers, however, were assisted by Miss Parks, Miss Wilson and Miss Bachtel.

In the year of nineteen forty we rushed into our Freshman year with flying colors, the dominant color being green. Here Miss Deer and Mr. Smith watched over us. The total number was forty-seven, having acquired some new pupils from Corunna.

In the Sophomore year Miss Parks and Mr. Bohr undertook the task of guiding our minds in the right path, but willingly released us to Miss Bachtel for our Junior year.

In these years of high school we have been so successfully led by each of these teachers, with Miss Fuchshuber, Miss Howell, Mr. Heywood and Mrs. Buckner, that our class, now totaling thirty-five in number, hope to travel on into our last year together. Here we hope to spend one of the happiest years of our lives.

SOPHOMORE CLASS HISTORY

We, the Class of 1945, numbering twenty-eight, started our long hard path to knowledge ten years ago under the supervision of Miss Ruth Bolton. Now we number thirty-five, increased in number and knowledge. Some of our teachers in the lower grades were: Mr. McIntosh, Mr. Gurtner, Mr. McClain, and Mr. Bowers.

In our Freshman year, Miss Deer and Mr. Smith were our class sponsors. This year as advisors we had Miss Fuchshuber and Mr. Bohr, who was replaced by Mr. Heywood. Due to the call of Uncle Sam, however, Miss Fuchshuber was left to carry on alone until Mr. Leslie came.

Thirty-five Strong, Studious, and Serious Sophomores:

Strong—Take note of our twelve representatives on the basketball team.

Studious—Notice our scholastic standing.

Serious—Study carefully our faces.

However, we have our lighter moments and have enjoyed several parties during the past year.

We are on our way up the ladder toward that 1945 goal "Graduation."

FRESHMEN CLASS HISTORY

If you had looked in on the first grade in 1934 or 35 you would have seen twenty-three studious little men and women under the competent guidance of Miss Ruth Bolton. Miss Virginia Bachtel taught is music, as she did all through the grades, and number one on our "Hit Parade" that year was "Mooley Cow Red." During our journey through the grades we were taught by Miss Brandon, Miss Hamman, Miss Dirrim, Mr. McIntosh and Mr. Gurtner.

In the junior high we were led by Miss Wilson and Mr. Bowers.

Our number increased and decreased through the years and we lost a former member of our class by death.

Now, as freshmen, we number forty-seven. We have sponsored two parties this far. Our advisor is Miss Vera Howell. Thus reads the first nine chapters of the Class of "46."

THE JUNIOR HIGH HISTORIES

EIGHTH GRADE CLASS HISTORY

In the year of 1936 a group of twenty-seven children enrolled at the Waterloo Grade School in the first grade under Miss Ruth Bolton. After a year of losing and gaining pupils our second year started with twenty-eight under Miss Barbara Brandon. At the end of the third year our old building vacated and we started our fourth year in our present building with thirty pupils. Mr. McIntosh did his best to increase our knowledge in the fifth grade. In the sixth grade the roll was increased by two new students, Garcile Hilkey and Harry Dancer.

Most of us passed through our seventh year safely and we started our eighth year. To our sorrow we lost one of our classmates through death this year. We hope the rest of us may continue on through school together.

Our officers are:

President	Roy Williams
Vice President	David Rhoadarmer
Secretary-Treasurer	Willadene Crowl
Historian	Harry Dancer
Poet	Anna Lee Wing

SEVENTH GRADE CLASS HISTORY

Our class strated on its journey for knowledge under the leadership of Miss Ruth Bolton. We began with thirty pupils but have lost some of them while others have entered. Through the grades we were taught by Miss Brandon, Miss Hamman, Miss Dirrim, Mr. McIntosh and Mr. Gurtner, who taught us all they knew and then sent us on.

We have finally reached the seventh grade and Mr. Shore supervised our home room this year. We now have twenty-six pupils in our class, among which are only fourteen who originally started in the first grade. We had many activities this year, including Christmas, Hallowe'en and Valentine parties. This is our first year to elect class officers, and we chose:

The F.F.A. took part this year in the national scrap drive. We were recognized as the engineers. We hauled in around 15 tons for children who did not have a way to get the scrap in.

A wiener roast was held in September at the shelter house in the city park. It was enjoyed by all.

The annual pest contest was won by the east side for the first time for several years. The boys did a swell job of cleaning many places from pests.

Mr. Smith

THE MAJORETTES

At the head of the parade is Barbara Whetsel. Following her are the four major-ettes with their bright shining batons.

Joan Smith and Barbara Shull are new members coming in last fall. They have done remarkably well in their first chance for public appearances this year. Louise Stook-ey has been a member of this organization for two years and Jean Fee three.

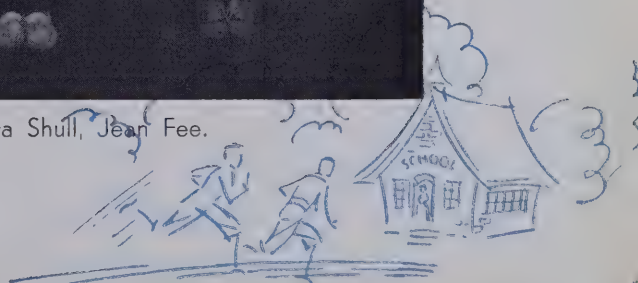

They are very proud of their new uni-forms which were purchased last fall through the P.T.A.

BARBARA WHETSEL

Joan Smith, Louise Stookey, Barbara Shull, Jean Fee.

THE MARCHING BAND

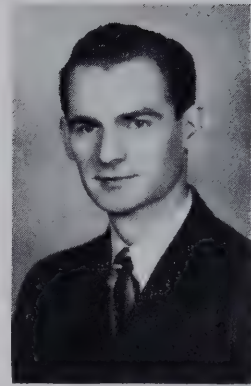

The band had a very eventful year under the direction of Mr. Robert Justice. The band competed in a marching contest held at Garret, Indiana, on May 1, and came through with flying colors, thus preserving the standard hard earned in previous contests. Several members of the band competed in a solo contest held at Garrett the same day and did well.

Public appearances were made at the Halowe'en celebration, the basketball games and the Armistice program.

We have added two new twirlers, a new drum major, and several new members to our organization, making a total of forty-eight.

By selling band tags last fall and through the efforts of various other organizations it was made possible to pay off our debts and purchase some new music.

The concert band has helped out in many programs held in the school throughout the year. In March, the band was divided up into solos, duets, trios and quartettes to work on music for programs of the future.

Mr. Justice

THE CONCERT BAND

This improved the playing ability of all—especially the younger members of the organization. In April, the band played for the Civilian Defense program. It also played its annual Spring Concert May 6 before a large crowd. At this time the senior members of the band were presented with awards for their service during their high school years in the band. Other concerts were in the Eighth Grade Commencement, Baccalaureate, and Senior Commencement. At the end of the school year, the band went to Corunna to play for Memorial services. Although the band loses nine of its senior members, the outlook for a good band next year is very good.

Clarinets: Eva Johnson, Dale Kohl, Anna Lee Wing, Mary Jo Turner, Beverly Duesler, Patricia Bowers, Mary Lou Bowman, Marilyn Morr, Doris Ann Smith, Tom Hoxie.

THE GIRL'S CHORUS

First Row, left to right: Barbar Fox, Jean Fee, Eevelyn Martin, Beverly Girardot, Betty Husselman, Betty Badman, Dolores Johnson. Second Row: Mrs. Voss, Mary Miser, Rose Donaldson, Mildred Barnhart, Phyllis Fluke, Merriel Nodine, Annabelle Stange, Barbara Diedrich, Dolores Bowman. Third Row: Joan Soutar, Gail Girardot, Marilyn Schomberg, Lucy Rhoadarmer, Barbara Whetsel, Ethel Ackerman, Joan Smith, Donna Jean Treesh, Beverly Dawson, Patty Manrow.

Girl's Chorus meets every Tuesday and Thursday afternoon in a small room off the assembly. After a few minutes beautiful voices can be heard singing joyfully.

There are twenty-four girls in the Girl's Chorus. This group started out under the direction of Miss Bachtel but at the end of the semester she was relieved of this duty by Mrs. Voss.

This year the girls are doing vocal exercises to help in their tone placement and breath control. They find these exercises to be fun as well as helpful.

Among the songs sung this year are many new ones, including patriotic arrangements, mountain ditties, hymns, and miscellaneous other types.

THE MIXED CHORUS

The mixed chorus consists of twenty-two members, including five Seniors, ten Juniors, seven Sophomores, and three Freshmen. We meet regularly on Monday, having rehearsal during the fifth period. Mrs. Marcelle Voss is the director.

We have received some reports that our singing was so forceful that the assembly in the adjoining room had to move.

We have acquired new music and by hard work have brought several numbers nearly to perfection. These songs are four part harmony and include mountain music, patriotic arrangements, sacred songs, and miscellaneous types. We have hopes of singing for several spring events this year. Under the direction of Mrs. Voss we have had a very interesting class.

Mrs. Voss

First Row, Left to Right: Imogene Stookey, Betty McEntarfer, Joyce Ayers, Emogene Goodwin, Dorothy Miser, Donna Shippy, Jacqueline Howard. Second Row: Mrs. Voss, Marilyn Stange, Doris Ann Smith, Helen Jones, Aurelia Johnson, Louise Stookey, Barbara Shull, Marilyn Luce. Thurd Row: James Soutar, Jack Wagner, Richard Lowman, Junior Hilkey, Duane Houser, Eugene Bowman.

A collage of 12 black and white photographs from the 1940s. The photos are arranged in a grid-like fashion, with some overlapping. The subjects include: a young couple sitting on a bench; a young girl in a white dress standing outdoors; a young girl in a patterned dress standing in front of a newspaper; a young girl in a dark dress holding a doll; a young girl in a light-colored dress standing in a field; a close-up of a baby in a hood; a baby lying down; a young girl in a dark dress standing near a window; a group of three young women and a young girl; two young women standing together; a person in a field with a sign in the background; and a large group of people gathered outdoors in front of a building.

Speaking of eyes, in the right hand corner is Phyllis Fluke, whose eyes can hardly be seen under her beautiful bonnet.

Ages ago some might recall those two seniors, then freshmen. Although Farrington and Markley are just two sane seniors.

He looks shy but he's quite the contrary. It seems Mr. Markley did not like to have his figure photographed.

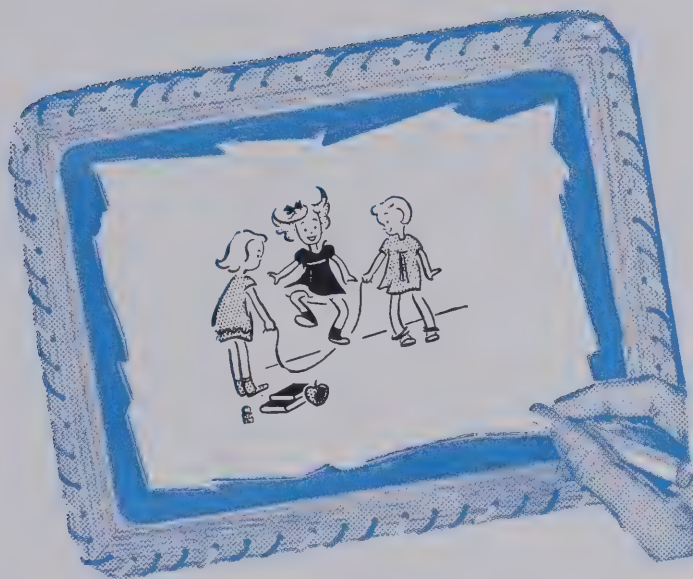

Another pretty miss, at the inner left, is, now a sophomore. My how she has grown!

What have we here? At the far left it seems the Misses Greer, Treesh, Shultz and Drew are happy enough. It's a great life to be carefree, they say. We wonder?

To the right of the four gleeful girls are two sophomores, Mildred and Rosie. Well, boys, spring is here and so are we.

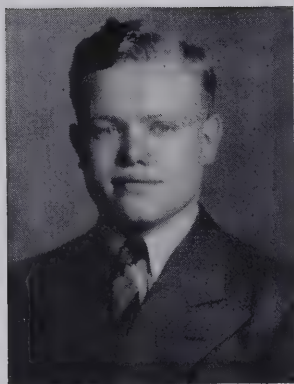

Look here, girls. Take a peek at the big bird who's showing 'em how.

Well, folks, it's all over for the day, the grand rush is on!

THE COACH AND MANAGERS

BILL MYERS
Student Mgr.

COACH GURTNER

KEN DREW
Student Mgr.

This has been a difficult year for basketball. In spite of this, we have had a fine time putting on a successful season. Our mainstay has been Mr. Gurtner, who stepped into the role on short notice, under conditions which would test anyone's ability. We are very proud of the job he has done, and we feel that he has proved that he was the man who could do it.

He was ably assisted by the student managers, Ken Drew and Bill Myers. These boys have fought just as hard as the players to win the games. Many people who witness the games from time to time, do not realize the tremendous job it is to manage the many jobs the team has to do besides the actual playing. They have shared in the victories and defeats, and their diligent work has been appreciated more than we can say.

THE WATERLOO WILDCATS

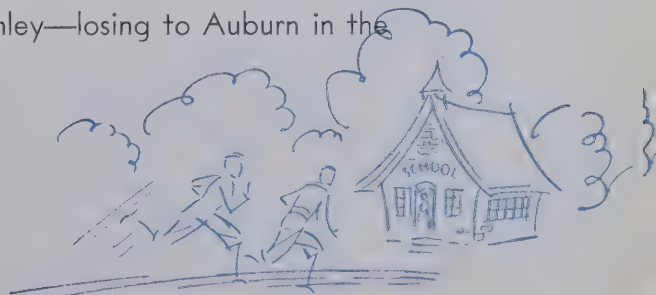

Standing: Kenneth Drew (Student Mgr.), Junior Hilkey, Elden Knapp, Jack Wagner, Ed Greer, Devon Meyer, Bill Myers (Student Mgr.)

Kneeling: Russell Drew, Bob Albright, Coach Bruce Gurtner, James Leach, John Markley, and Herbert Hoffmeyer.

The 1942-43 basketball season was a pretty fair season for the Waterloo Wildcats. The team competed with teams of high rating such as Butler, Angola, Wolcottville and Kendallville, and defeated every one. The team had a few sick players that held it from victory twice.

The next year's team will miss the services of Herb for the rebounds, and Bob will be missed, for he was one of the team's valuable players. Russ' fast breaks brought the team out from some pretty close calls. and Johnny, who played a good brand of ball, will be missed. They were good players coming up from the second squad and they were always good sports, a much needed quality of every winning team.

The Wildcats won 10 and lost 5 games in the season, and in the tourney defeated Hamilton, Butler and Ashley—losing to Auburn in the finals.

OUR YELL LEADERS

Barbara Shull

FIRST TEAM YELL LEADERS

The first team was led to victory this year by the cheering section which was led by Jean Fee, Evelyn Martin, and Bob Duncan.

Bob replaced Mary Shull, who was yell leader last year with Jean and Evelyn. Bob was yell leader in his freshman year, and came back this year to help keep the cheering section pushing the team along.

Jean, Evelyn and Bob did a very good job to keep the fighting spirit.

SECOND TEAM YELL LEADERS

This year we have had three new yell leaders. They are three freshmen girls, Barbara Shull, Roma Baird and Beverly Bunge. These girls were chosen by the first team yell leaders to lead the fans in yells. Although this is their first season as yell leaders, they have shown their ability well.

Next year we will probably find these girls still leading yells for the second team to keep the spirit rolling. When the time comes, these girls will fill the places of the first team yell leaders.

THE FIR

RUSSELL DREW (Russ)
Guard

This was Russ' second year on the team and he was the fastest man we had. He was noted for his drive in shots and his way of breaking up fast breaks. He scored 29 field goals and 33 free throws.

EDWARD GREER (Ed or Pinky)
Forward

This is Ed's second and last year as a Wildcat, for he is going to join an All-American team. Ed is nineteen and wouldn't be able to play anyhow. He was a good man under the basket and held the enemy in check on several occasions.

JACK WAGNER (Wag)
Forward

Jack is a tricky player and has a great year ahead of him. He didn't do much scoring but was always in there fighting for the ball. He made 7 field goals and 5 foul shots for the total of 19 points.

DEVON MYERS (Blondie)
Guard

Blondie played a hard game at guard this year. He led the offensive and was right behind Drew for his speed. He made 28 baskets and 18 foul shots. He will be back the next two years.

ELDON KNAPP (Snap)
Center

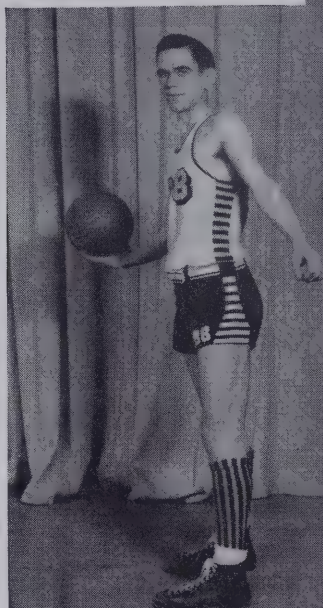

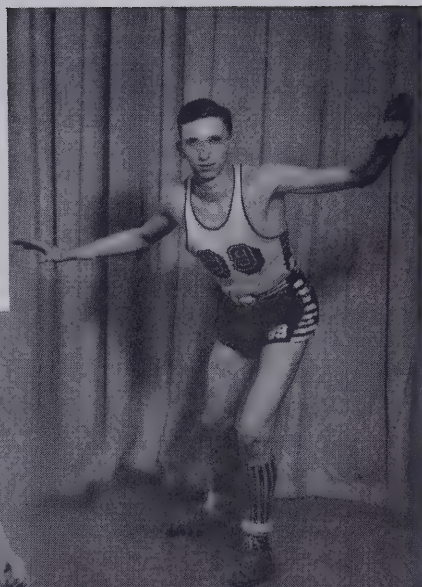

Snap is a second team regular and moved up to the first team to take the place of tenth man. He scored 3 goals and 1 foul shot for 7 points.

ST TEN

JOHN MARKLEY (Johnnie)
Forward

This was Johnnie's second year in a first team berth and he was always ready to play any position at any time. He scored 11 buckets and 14 foul shots.

JAMES LEACH (Harpo)
Forward

Harpo broke into a first team suit this year, at forward. It took him a little time to prove his brand of basketball and he made 29 baskets and 39 free throws. He will be back next year.

HERBERT HOFFMEYER (Herb)
Center

Herb played the position of center this year and was a good offensive man as well as defensive. Herb made 71 field goals and 30 free throws, making a total of 172 points.

FERMAN C. HILKEY, JR. (Junior)
Guard

This was Junior's first year on the first team as a sub. He got out there and demonstrated his power on defense and wonderful fighting spirit. He is a Sophomore and will be back the next two years. He scored 15 goals and 7 foul shots for 37 points.

ROBERT ALBRIGHT (Bob)
Guard

Bob was the high scorer for Waterloo this year. He was noted for his long shots and one handed drive in shots. He scored 72 goals and 32 free throws for 176 points.

THE SECOND TEAM

Standing: Wilbur Werner, Donald Smith, Wendell Broom, James Hamilton, Eldon Knapp, Willard Kessler, Roy Witt, Harold Johnson, Coach Gurtner.

Kneeling: Howard Bowman, Norman Knapp, Jerry Houser, Vincent Girardot, Eugene Bowman, Myron Johnson.

The second squad has had a fairly good season, winning eight and losing six. They were able to stay with teams like Angola, Butler and Hamilton. Most of the team was made up of Freshmen and Sophomores who had a little experience from last year. These boys will have a berth on the first team next year if they can pass the test. They scored 367 points to their opponents' 273 points, as follows:

Team	We	They	Team	We	They
Spencerville	21	13	Auburn	18	40
St. Joe	19	6	Butler	18	22
Angola	19	17	Ashley	22	23
Pleasant Lake	12	15	Garrett	21	22
Butler	18	25	Fremont	24	19
Hamilton	38	14	Hamilton	19	14
Butler	29	19	Kendallville	21	24

JUNIOR HIGH SQUAD

The Junior High basketball team was made up of boys from the 7th and 8th grades this year.

Two teams were selected, a first team and a second team.

The first team consisted of 7 players, as follows: Kutzner, Williams, Baird, Stanley, Fee, Knott and Donaldson.

The second team consisted of 8 players, as follows: Rhoadarmer, Shultz, Hoxie, Geeting, Kimmel, Lowman, Johnson, and Carper.

The first team defeated Hamilton by 8 points in a very exciting game. They lost to Butler, 25-20, in another thriller.

The boys are looking forward to next year's season with anxiety. Kutzner, Donaldson, Baird and Stanley will be back next year, and several of the second team boys will move up.

The boys on the team have expressed their appreciation for the splendid coaching of Mr. Bowers. He has coached several county champion teams which have gone on to be great teams for W.H.S.

Standing: Harold Shultz, Max Fee, Jim Hoxie, Coach Clarence Bowers, Ralph Donaldson, Bob Stanley, Bob Knott.

Kneeling: Roy Williams, Darrell Johnson, Jack Lowman, Bud Baird, Dave Rhoadarmer, Junior Geeting.

Sitting: Billy Hubbard, Floyd Carper, Dick Kutzner, Dick Kimmel.

THE BASEBALL TEAM

Standing: Bob Linn, Junior Hilkey, Herb Hoffmeyer, Jim Leach, Albert Sattison, Eugene Bowman.

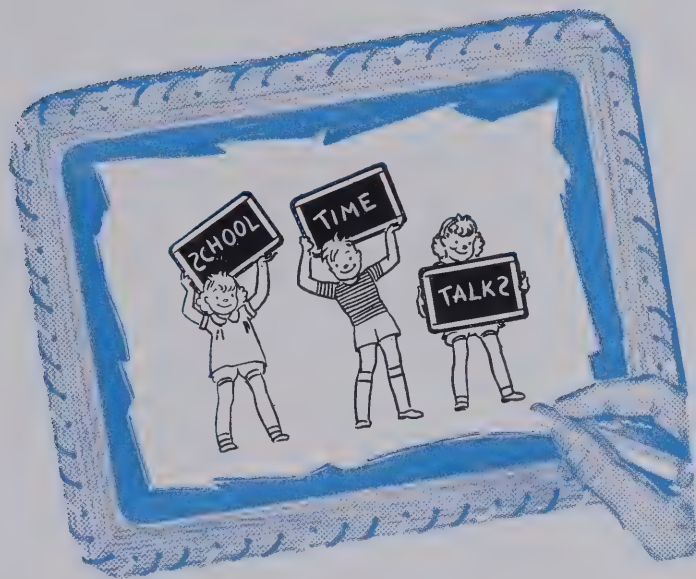

Sitting: Harold Johnson, Donald Smith, Myron Johnson, Jim Hamilton, Russell Drew, Jack Wagner.

Kneeling: Willard Kessler, Blondie Myers.

BASEBALL

The baseball team played three games this year. They lost two tough ones, one to Ashley, 9-1, and Butler, 9-6. We feel that the baseball team has been neglected by the fans. This spring, and in the future, let's get out there and root! We know that they have the material, ability, and spirit, so let's go out there and give them some moral support.

SENIOR CLASS HISTORY

The class of "43" started its long climb for knowledge on September 7, 1931. There were thirty-nine shy little girls and boys. Miss Callahan guided us through our first eventful year and then passed us on to Miss Newcomer to see what she could do for us. In our third year Miss Hamman taught us the fundamentals of our education. With the help of Miss Dirrim and Miss Bonfiglio we were steadily advanced in our education. Then Bruce Gurtner took our jolly little class and prepared us for the junior high.

After our sixth year of progress the class moved from the west building to the east high school building under which Mr. Bowers, Mr. Barr and Mr. Dorton prepared us for high school.

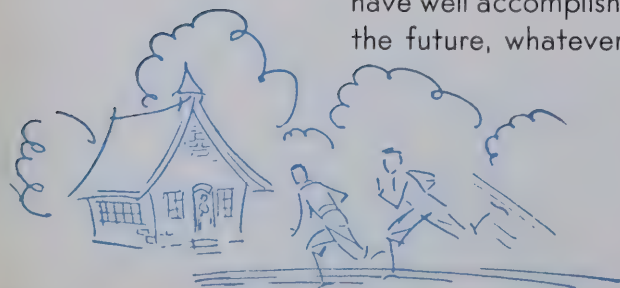

In the fall of "39," forty-five "Green Freshmen" crossed the threshold of their long journey through high school. We welcomed the pleasure of having ten Corunna scholars and the guidance of Miss Deer. Bob Albright was elected president and led the class quite well.

In the Sophomore year we advanced two students and were gradually catching on to the routine of high school with the help of Miss Parks and Mr. Dorton.

In our Junior year under the guidance of Miss Bridwell and Miss Bachtel, we made quite a success of our reception. The banquet was held at Fee's Cafe, after which we went to Fort Wayne and attended a show at the Palace Theatre. Miss Bridwell also supervised our Junior play, "The Solo Flight," which turned out to be hilarious.

The Senior class as a whole started the year out with a bang by re-electing Bob Albright as President, John Markey as Vice President and Pat Manrow as Secretary and Treasurer. Bob Albright has filled this office quite efficiently for four years. Due to the war we did not sponsor a Senior play this year but have worked hard and vigorously to make a success of the "1943" Rosebud.

Now this group of mischievous and industrious pupils have well accomplished their aims and are prepared to face the future, whatever it may be.

CLASS POEM

The Class of "43"

Here is the class of "43"
Happy may they ever be
As they travel with success
Life's long road of happiness.

Bobby Albright guides us now,
Markley helping at the prow.
Patty keeps our books, you see,
In this class of "43."

Now Billy is a problem child—
At figures that boy's more than mild.
Emmajeane's a quiet lass,
But then she also head the class.

If in a class a snore you hear,
I'll bet you'll find that Lewie's near.
And when you hear a chuckle—look!
I'll bet Max is behind that book.

Donald Crooks sure knows his history;
To me that subject is a mystery.
Herby and Rusty are basketball boys
And when they score they bring us joys.

If Donna you should chance to see,
Gail nearby is sure to be.
Schomberg getting into scraps.
Johnny Kuckuck taking naps.

Betty doesn't talk a bit,
But Rodney sure makes up for it.
Dick is a mischievous "little" lad,
But you can't really call him bad.

Bruce is the Editor of this book.
Duane can be found in a quiet nook.
Brandy has the boxing skill,
If helps is needed, Lois will.

Dee likes to skate as all can see.
Jay from all romance is free.
A Student Manager is Kenny.
Ray's hobbies consist of many.

Twelve long years we've toiled here,
Now graduation is drawing near.
And so we bid you fond adieu,
Hoping that you follow through.

PROPHECY

One day while at the printer's office, I ran across a newspaper dated March 25, 1950. It looked very interesting and as I glanced through it I was surprised to find articles written about some of my old classmates.

In the headlines I read of the arrest of a suspicious looking character caught trying to smuggle suspicious looking barrels through the Customs Office. It was later found that this was only "Reno" Wing taking hair tonic to Africa, where he is engaged in the business of giving crew cuts to the natives.

Looking through the ads, I found a very interesting one that read: "Get a lift on life with a lift of the face." It was advertising the Betty Jo Beauty Shoppe in New York. Its proprietor was Betty Mullet, who is now experimenting with a new face-lifting cream.

There was an article announcing that a new method of producing synthetic rubber was being patented. Its inventor was none other than Duane Houser, now known as "Professor Houser."

While reading the Sports Page, I noticed the name Bob Albright. Reading further found that he is now coach of Siberian High School. The Siberian Wolves are slated to capture the state title this year. His wife, the former Pat Manrow, is employed as primary teacher in Siberia Grade School, where she is looked up to by her loving primary students.

I read that the newest movie is "Glamour Plus," starring Herbert Hoffmeyer, with his shining red curls and glorious height. There are rumors of a real life romance between him and his leading lady, Gilda Gleam.

In the Farm Bureau column I read that William Myers has patented a new fertilizer. He has gone into partnership with Lewis Myers and they are engaged in raising onions and potatoes. They are noted as the best low-ground farmers in the United States.

In Walter Winchell's column I found that Russell Drew, well known playboy of New York, is now being sued for breach of promise by a well known divorcee. Rusty is noted for playing the races at Santa Anita.

I noticed a slogan, "Lose pounds the Lowman Way," which is found on the nation's billboards. This reducing school is run by Dick Lowman, who, in his spare moments, plays lullabys on his trombone to his chubby little quadruplets.

On the front page, I read an interesting article saying that the famous reporter, John Markley, while on an assignment in Baghdad, found the idea of having a harem so interesting that he decided to become a Sultan. (Continued on Page 85)

LAST WILL AND TESTAMENT

We, of the Class of Nineteen Hundred and Forty-Three, being of unsound mind and failing health, do affirm this document to be our last Will and Testament as of the date of May 15, 1943. We hereby will our most precious earthly possessions and memories which we have so long cherished to those whom we know will cherish them as we have.

ARTICLE I

Section 1.

To the faculty we will the pleasant memories which we, through our good behavior, have afforded them. May they soon recover from the amazing and startling information that was imparted to them through our final examinations.

Section 2.

To the Juniors we dedicate our Senior room which we have so faithfully occupied for two years, providing they promise to keep it as clean as we have and try to perfect their aim at the faithful wastepaper basket.

Section 3.

To the Sophomores we bequeath our lockers in the halls, providing they return to us any overlooked pencils or erasers. Long may the struggle in the mad race of human beings fighting to be the first to reach their lockers, only to arrive there and be trampled upon as they stoop to reach their books.

Section 4.

To the Freshmen we extend our heartiest congratulations upon the amazing way they have survived their beginning year at Waterloo High School.

Section 5.

To the Class of 1947 we reserve the pleasant memories of our own Freshman initiation and our non-chalance with which we passed through the procedure.

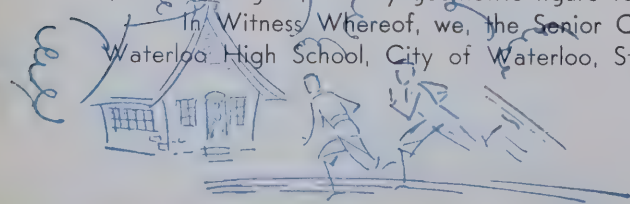

ARTICLE II

Individually we bequeath the following:

- I, Bob Albright, will my lost overcoat to anyone who can wear it.
- I, Ray Bowers, will my Cowboy boots to Louise Stookey.
- I, Dolores Bowman, will my former interest in P. Lake to Delores Johnson.
- I, Donald Crooks, will my political and governmental theories to Velma Freed, if she will promise to uphold them as I have.
- I, Kenneth Drew, will my Butler interest to Eugene Woolever.
- I, Russel Drew, will my manly physique to Sag Hamilton.
- I, Emmajeane Girardot, will my late hours to Lucy Rhoadarmer.
- I, Gail Girardot, will my perfect love affair to "Red" and Emogene.
- I, Herbert Hoffmeyer, will my height and athletic ability to Blondie Myers.
- I, Duane Houser, will my triple "A" membership to Bob Duncan.
- I, Bruce Husselman, will my auto to the tank division of Chrysler Motor Corporation.
- I, Dick Lowman, will my figure to Helen Jones.
- I, Pat Manrow, will my ever welcome smile to Mary Childs.
- I, John Markley, will my way with women to Eldon Howard.
- I, Lewis Myers, will my gold mine in the sky to Imogene Stookey.
- I, Bill Myers, will my ability to please the coach to next year's Student Manager.
- I, Betty Mullet, will my oratorical ability to Wendell Broom.
- I, Marilyn Schomberg, will my ceaseless chatter to Dorothy Miser.
- I, John Kuckuck, will my log saw to Barbara Jean Fox.
- I, Bob Linn, will my boxing technique to Bob Jordan.
- I, Donna Shippy, will my jewelry to Roma Baird.
- I, Max Rynearson, will my gal in every port to Dale Bunge.
- I, Jay Childs, will my dislike for fighting fires to Dick Mullet.
- I, Rodney Wing, will my sly remarks and uncensored sayings to Bob Bainbridge.
- I, Lois Farrington, will my geometric figure to next year's Geometry class.

In Witness Whereof, we, the Senior Class, have hereunto subscribed our name and affixed our seal, at Waterloo High School, City of Waterloo, State of Indiana, in the year of 1943.

Signed: THE SENIOR CLASS OF 1943.

OUR SERVICE MEN

SIMON KOHL

BILL DUNCAN

Our thanks, for the things our janitors have found, and laid up for us, and the the splendid ways they have helped us at our hard labor; and a few of us have had the occasion to visit them at their office (the boiler room). Our building has always been clean and tidy; we thank them for it. (Oh dear, somebody spilled a bottle of ink.) Where's Simon?

BUS DRIVERS

Clark Kelly, better known as "Kirby," does his route in a hurry, and we must say well done.

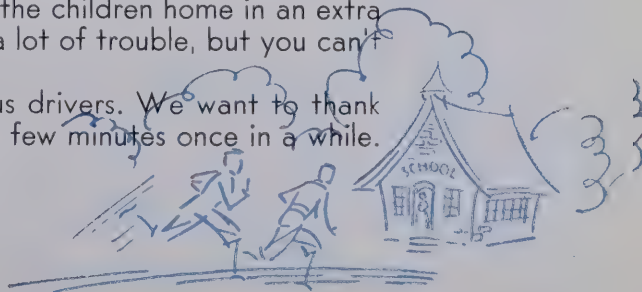

Harvey Frick is just plain "Harvey." He doesn't get around quite as fast, but very punctual.

Oscar Christlieb is just plain "Christy." He sure has his troubles with the bunch he picks up, and he can't be blamed for making them walk once in a while.

Merritt Williams, alias "Popeye," is the only one who has a radio, and his favorite program in the mornings is the Songsmith. Don't you imagine it helps drown out that awful Corunna gossip?

Simon Kohl, although he has a lot of things to do around school, just can't seem to say goodbye, so he takes the children home in an extra bus Mr. Overmeyer got for him. They have a lot of trouble, but you can't discourage Simon.

All in all we have a swell crew of bus drivers. We want to thank each one of them who has waited that extra few minutes once in a while.

One robin doesn't make a spring, but one lark is often responsible for a fall.

When Miss Vera Howell, the great teacher, was teaching at Rome, she was quite heavy, but was very good natured, as most fat women. She was visited by a friend one day who was very tall and lanky (Mr. Justice by name).

"Miss Howell," he said, "if I were as fat as you are, I would hang myself."

"Well," she said, "if I ever decide to take your advice, I'll use you for the rope."

"My dad had two horses, but he had work for only one," said one country boy to another.

"What did he do?"

"He traded off one of the horses for two loads of hay."

"that's a lot of hay for one horse to eat," said the other.

"Oh, the man he got the hay of lent him back the horse to help eat the hay."

Mr. Smith (in the middle of a story), "Have you heard this one before?"

Girls in chorus: "Yes!"

Mr. Smith: "Good, maybe you will understand it this time!"

While enroute to Berlin a company of soldiers found themselves under hot fire, and took refuge in a shell hole. Capt. H. K. Hoffmeyer said: "Boys, I'm afraid we're in a hot place. Fight like the devil until your last cartridges are gone, and then run. I'm a little lame, so I'll start now."

In Guadalcanal Col. Overmeyer was shocked to find that one of his soldiers, a Sgt. Rodney D. Wing by name, was hiding in a fox hole. "Here," he said, "you come out of that!"

The fear of the enemy's bullets overcame the officer's discipline. "Nothing doing," said Sgt. Wing, "you may be my superior officer, but all the same I found this hole first!"

Richard Lowman, a stock broker, was forced by illness to take a vacation from his business of buying and selling stocks and was in the hospital. The nurse was taking his temperature. "Where is it now, nurse?" he asked. She answered, "102." Lowman slyly replied: "When it gets to 102 $\frac{1}{2}$, sell."

"Remember, children," said Miss Fuchshuber, "that a good rule in life is, if you want anything well done, do it yourself."

Wendell Broom slyly raised his hand.

"Well, Wendell, what is it?"

"How about getting a haircut, teacher?"

Mr. Justice in Math Class: "Robert Duncan, how much are four and four?"

Duncan: "Eight."

Justice: "That's pretty good, Robert."

Duncan: "Pretty good, h——, that's perfect!"

General Robert E. Lee Albright, the famous cavalry leader in the battle on the Libyan Desert, was asked what he thought was the funniest thing he had seen in the battle.

"I think," he replied, "it was the sight of my old schoolmate, '375 pounds' Donald Crooks trying to ride a balky mule. Somehow or other the animal had got his hind foot caught in the stirrup. Crooks looked down and saw it. And replied, 'If you are going to get on, I'm going to get off.'"

PROPHECY

(Continued from Page 67)

I noticed the opening of a new gymnasium in San Francisco, called "Kenny's Kalisthenics Kennel." Its supervisor is Kenny Drew, who, due to his prosperity, is now building a magnificent mansion in Beverly Hills.

On the Society page I read that Marilyn Schomberg is seeking a divorce from her fifth husband, Count Zigglehoffer, who hails from the breezy heights of southern Scotland. She is now searcing the world for her true love.

In the Locals I read about Jay Childs being made Honorary Fire Chief of the Corunna Fire Department. His latest thrill was the extinguishing of a blazing fire in his sixteen-year-old son's automobile.

I noticed that Raymond Bowers is home on a visit. His mania for cowboy boots has led him westward, where he rides the range for the Twin Diamond ranch. In his spare time he guilds wind tunnel models for Lockheed.

I saw a picture of my old classmate, Max Rynearson, who is now in the Hawaiian Islands where he operates a thriving pineapple farm. In his spare moments he makes streamlined grass skirts for the native girls.

Glancing through the sports section I found that Bruce Husselman is now supervising the "Ice Follies of 1950" in San Francisco. His next stop will be Waterloo, where he plans to visit some of his old schoolmates.

In the farm news I read that Donna Shippy and her husband are building a new addition to their chicken coop. They are noted for the best chicken farm in the area of Sedan. Donna also gives music lessons to little Sedaners.

In Ripley's Believe-it-or-not column I noticed that Bob Linn had 22 knockouts in 23 bouts. n the last of these bouts he gained the World's Championship, by using his famous twister sock.

In the Farm Bureau column I saw that John Kuckuck is now champion corn-husker of DeKalb county. In between time he hibernates in the haymow of the barn, although he is kept quite busy on his 160 acre farm.

I found that Emmajeane Girardot is teaching Rumba and Conga lessons in Pasadena. She has now become famous for her discovery of the new dance called the "Shuffle Wiggle." She has just announced her engagement to one of her dancing pupils.

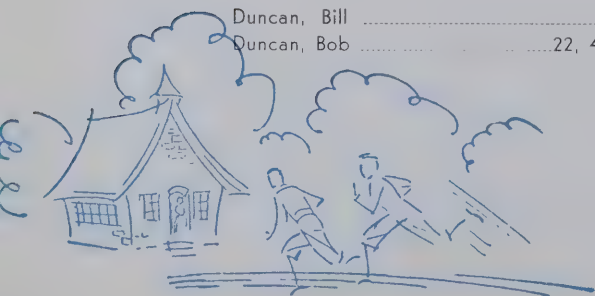

I see that Gail Girardot, her husband, and twin daughters have just returned to their home in Waterloo after visiting the Niagara Falls, on their second honeymoon. Gail is teaching her twins to twirl broom handles so that they can become majorettes.

On the comic page I found Dolores Bowman's name beside the Lil' Abner comic strip as the cartoonist. She is also advisor of the lovelorn column. Although she has many problems, she also finds time for skating.
